

March 10, 2020

Good afternoon Hyde-Addison families,

DCPS is supporting all [guidance provided by DC Health](#) as it relates to the confirmed case of COVID-19 at Christ Church, Georgetown Episcopal. We recognize that individual members of the community may meet DC Health's criteria and should be following the guidance for isolation. At this time, there is no indication of immediate risk to other students and staff at Hyde-Addison ES, and we will continue to operate accordingly.

We are monitoring the situation closely and following all guidance from DC Health. We will continue to provide critical updates to our school community as they arise. For more information about COVID-19, including guidance on symptoms and precautions, please refer to the [DC Health](#) and [CDC](#) websites. DCPS will also continue to post DCPS-specific updates on the [it's website](#).

Thank you,  
Hyde-Addison ES
